

SUMMER 2021

THE LONG POINTER

THE NEWSLETTER OF LONG POINT ON THE MAGOTHY

PRESIDENT'S MESSAGE

My fellow Long Pointers,

The month of June has us looking forward to the fun that summer brings each year. I am sure many families and students can't wait for the last few days of school to be over. Congratulations to our many graduates in the community this year! Hopefully you get a chance to take a picture with the banner that celebrates your success in front of Long Point Hall.

Our community of Long Point on the Magothy has so much offer over the summer months with our access to the water. I hope you can enjoy the many water access points and community beaches. Our community hall is back open at full capacity and I am encouraged by the level of interest shown by those wanting to reserve the hall for events. The Social Committee is busy with planning events for the remainder of the year and will continue scheduling food trucks to visit the hall parking lot. There is so much to be excited about in Long Point and I hope you can experience everything the community has to offer.

I am grateful for the residents that gave their time to lend a hand to our beach clean up last month. This amazing team of community members cleaned up our beaches for the summer season and I am excited to report they created a path to launch kayaks, canoes, and paddleboards at the Cornfield Creek side of the Magothy Road community beach. Thank you again to all who volunteered that day and for all the work you put into the project, as I know there are many residents that will enjoy utilizing this access point.

I continue to be encouraged by the increased involvement of residents in the community. We all value the sense of community in where we live and the amenities our community has to offer. With that said, our Board of Governor elections are right around the corner in September. LPIA is always looking for new board members and I encourage you consider serving on the Board. Giving just some of your time goes a long way. If a Board seat is not your calling, we are always looking for committee members and volunteers. Feel free to reach out to me at lpipresident@gmail.com should you have questions or would like to be more involved in your community.

I wish everyone a safe and healthy summer.
Rick

Looking to Rent the Hall for an Upcoming Event?

Good News! In accordance with State & County directives, community halls in Anne Arundel County may operate at 100% capacity, following mandatory health & safety protocols. Therefore, Long Point Hall is available for rent for your upcoming birthday parties, family reunions, meetings, wedding receptions, graduation parties, and retirement parties.

Residents of Long Point that are members of the Community Association are offered reduced Hall rental rates. Contact Bob today at (410) 935-6575 to reserve the Hall for your upcoming Summer, Fall, and Holiday gatherings!

A Reminder About Our Community Beaches

Long Point's Community Beaches and water access points are treasured assets that are open to use by Long Point residents and their guests only. There is ample parking at the beaches, but please pay attention to parking signs and be considerate of your neighbors and their properties. Please leave these common spaces nice for all to enjoy- pick up after yourself and your pets!

Information on the location of the community beaches and water access points can be found at: longpointonthemagothy.com/our_community

A Friendly Reminder About Boat Ramp Parking

To avoid tire ruts in the grass at the boat ramp which makes it difficult to maintain the property, please do not park on the grass when the ground is soft after heavy rains.

LPIA parking areas on Magothy Road and Twin Beach Road are to be used only as overflow parking for boat ramp trailers/vehicles, and not for trailer storage. Thank you for your cooperation.

We
would love
to hear
from you!

There are many ways to contact the members of the LPIA Board of Governors.

Call us at 904-728-4703 or email us at webmaster@longpointonthemagothy.com or lpiaresident@gmail.com.

Or better yet, make plans to join us at the General Membership Meeting on September 14th!

We would love to see you!

In this edition of *Hello, Neighbor*, we meet one of the many amazing Long Pointers who worked on the frontlines of the COVID-19 pandemic, but this one just also happens to also be a Mom to five school-aged children! Grandview Road resident Heather McIntyre has been a nurse for 13 years and has spent the past year and a half working as a critical care nurse in the COVID unit at Baltimore Washington Medical Center before continuing her COVID care work at several regional hospitals in the Washington, DC area. No matter how difficult her shift, Heather said that coming home to her family and the quiet setting of a home by the water in Long Point helped her forget the stresses that hospital work would bring. "When I make that turn off of Mountain Road onto Long Point Road, I know that I can leave it all behind, at least for a while, and that I'm home," said Heather. Heather and her husband John chose to raise their family in Long Point because of the strong sense of family and security that the community provides and the potential the community has for what it can be. "John and I know that the neighborhood is changing so much. Younger families are moving in that have great ideas for the community and they want to work to improve the neighborhood and it's amenities. We are excited about all of the potential that exists and we are looking forward to being part of it," said Heather.

While Heather and John have lived on Grandview Road for five years, Heather grew up in the neighboring community of Sillery Bay, and John spent much of his childhood in Long Point, with several family members having lived on Twickenham Road for over 50 years. They plan to raise their children here and be lifelong Long Pointers, and look forward to being active members in the community.

On behalf of all of the residents of Long Point, thank you, Heather, for your work on the frontlines during the COVID-19 pandemic and for the care that you showed so many in their time of need. You are one of our very own "hometown heroes!"

The next time you are on Grandview Road, be sure to introduce yourself to Heather and say "Hello, neighbor!" Heather, we are so glad you chose to call Long Point on the Magothy your home.

If you have an awesome neighbor that you would like to have featured in the next "Hello, Neighbor", please send an email to jbriemann@gmail.com. Thank you!

CONGRATULATIONS TO ALL OF THE MEMBERS OF THE CLASS OF 2021!
LONG POINT IS SO PROUD OF YOU!

MANY THANKS TO THE UPS STORE IN LAKE SHORE PLAZA FOR THEIR GENEROSITY AND TALENT IN CREATING THE LONG POINT CLASS OF 2021 BANNER!

THANKS TO ALL WHO MADE THE ANNUAL BEACH CLEAN UP A HUGE SUCCESS!

On Saturday, May 8th, over twenty Long Point neighbors gathered to help clean up our beaches and create a new kayak launch access point. What was previously an overgrown area at the end of Magothy Road on Cornfield Creek is now a perfect spot for swimming and kayaking because of the Creek's calm waters. A job that would have taken a few volunteers many days of labor took this ambitious group of neighbors just a few hours, as everyone pitched in to get the project done. We greatly appreciate the large turnout of volunteers and the time everyone gave for the betterment of the community that we all call home. Be sure to check out the beautiful community property at Magothy Road and Cornfield Creek and plan to use this beautiful launch site to take your kayak out for a paddle!

Mosquito Spraying

We have been notified by Anne Arundel County that Long Point's assigned mosquito fogging night is Thursday. Our community will only ever be fogged on Thursday nights during the 2021 season. Fogging can occur anytime between 7PM and 2:30AM. Please stay indoors while fogging operations are being conducted. The fog program began on May 26th and continues through October 5th. Residents who do not wish their property to be fogged may file an exemption. The exemption policy and form, as well as more information about the program, can be found on the MD Department of Agriculture's Website at:

https://mda.maryland.gov/plants-pests/pages/mosquito_control.aspx

It's Not Too Late To Become a 2021 Member!

If you have not yet paid your membership dues for 2021, it's not too late! Membership in Long Point Improvement Association is \$65.00/year and \$45.00/year for residents over 60 years of age. Please visit longpointonthemagothy.com/membership to join today!

When your family becomes a member of the Association, you contribute to the resources available to improve our community. These resources are used to beautify our neighborhood, improve amenities, and increase your property value. Membership dues are used to maintain community beaches, enable LPIA to offer social events at no cost, as well as extend discounted member pricing on Hall rentals. LPIA appreciates the ongoing support of all members. Please be sure to renew your 2021 membership today! Thank you!

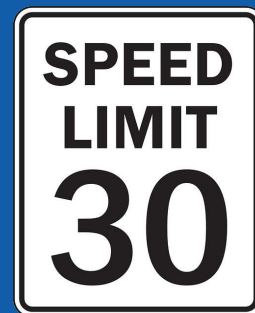

Feeling Social?

Does the idea of welcoming new neighbors to Long Point interest you? Do you have ideas for community children's events? Looking to lend a hand to food truck coordination and beach social scheduling? Well then, the Long Point Social Committee is looking for you! If you are interested in lending a hand to any of Long Point's many established social events or would like to share your ideas for new and engaging community gatherings, send Tricia Roe an email at triciaroe9@gmail.com or give her a call at (410) 371-1710. All are welcome!

MEET YOUR BOARD

In every issue of The Long Pointer, we highlight a current member of the LPIA Board of Governors. This summer, we are spotlighting Kim Jarmer, who has lived in Long Point for nine years and was elected to the community Board in 2019. She serves on the Community Properties Committee, which is what first peaked her interest in running for the Board- improving the community beaches and increasing resident access for kayak launch sites. Kim, her husband Don, and their four children, all love the proximity to the water that living in Long Point affords, without having to be waterfront property owners. In addition to the abundant water access, Kim and her family enjoy being Long Point residents because it is such an established, family-friendly neighborhood, with a strong sense of community. "I love that there are always people out biking, running, or walking their dogs," Kim added. Kim encourages her fellow Long Pointers to consider running for the Board of Governors and to be a voice to make things happen in the community. She added that it's not a huge time commitment, "but if you feel like you aren't willing to commit to a Board position, consider attending Board meetings or volunteering to serve on a Committee. Get involved and get things moving in the community!"

Kim, on behalf of all of the residents of Long Point, thank you for the time that you give for the betterment of our community!

Please Slow Down!

As the weather warms up and school lets out, our children head outside to play, ride their bikes, and walk around the neighborhood with their friends.

There is no road within the community with a speed limit higher than 30 MPH, and that is on Long Point Road. All side roads observe a much reduced speed limit, so please watch your speed. Be safe and slow down. It could save a life.

Are you following us?

If not, you need to be! Stay up to date on social events, community news, and more by following us at facebook.com/long-point-on-the-magothy

Long Point Improvement Association

Board of Governors

*Make a difference in your own
community!*

The Nominations Committee of the Long Point Improvement Association is calling for nominees for the upcoming Board of Governors election. The elections will be held on and leading up to the General Membership meeting on September 14, 2021. If you care about the Long Point community, your property value, and helping to make this the best community in Lake Shore, please consider serving on the Board. The requirements for serving on the Board are: 1-you must be a Long Point resident and/or property owner, and 2-you must be a member in good standing of the Long Point Improvement Association.

There are THREE open Board positions up for election this year. All positions are three year terms, serving October 1, 2021 through September 30, 2024. If you wish to nominate yourself or someone else who meets the requirements stated above, please fill out the form found on the next page and return it to the Nominations Committee by July 31, 2021. Forms can be returned one of two ways:

- 1: Via email to Mary Heath at maryheath77@hotmail.com, or
- 2: By mail to : Long Point Improvement Association Nominations Committee
1534 Long Point Road
Pasadena, MD 21122

If you are not able to mail or email the form, please contact Mary via email (above) or call Joan Hillier at 410-360-4199 and they will work with you to get the nomination information- if you are interested in serving, we will work with you to remove all barriers to receiving your nomination information.

All are welcome and encouraged to run for the Board!!

Long Point Improvement Association

Board of Governors
